

24<sup>th</sup> February 2017

Dear Parents and Carers,

We appreciate that many of you are busy, but we are looking for a Parent Representative for each class.

What does this entail?

One or more parents are appointed as the link with the P.S.A. Information about future events would be passed via the class rep and their role would be to encourage and remind the parents in their class about the event and any donation required. We are hoping that each class would be able to create a stall for future events. Any new ideas would be most welcomed and could be discussed with the P.S.A Group.

Why get involved?

The school would like to raise the profile of the P.S.A and the school. We would also like to raise more money to spend on the school. The focus for this year will be the outdoor space, including the update of the area surrounding the trim trail. It also spreads the workload, gets our children involved and gives us more ideas.

We are also looking to create a skills bank of parents who would be willing to give a little bit of time to support the development of the school. If every parent in the school volunteered just thirty minutes of their time, we would have over one hundred hours to put to good use.

If you are interested in offering any help could you please fill in the form below with your name, skills and/or resources you could offer. For example: Fred Bloggs, Keen Gardener, Mini digger and bedding plants. Then when we have certain projects that we feel you could help with we would be in contact.

We look forward to hearing from you soon.

Mrs Kate Ede

Chair Weobley Primary School P.S.A
