

Marches Family Network

Marches Family Network offer a range of indoor and outdoor activities to young people aged 0-25 years who have additional needs or a disability, while providing some much needed respite for their parents and carers.

We are keen to hear from anyone interested in becoming a youth worker to help at our term time and school holiday adventure schemes which run in Hereford, Leominster, Ross-on-Wye and South Shropshire (we can provide transport from our Leominster base to the other venues if needed).

**Our Saturday and holiday sessions run between 10.30am and 3.00pm.
Our weekly youth club in Hereford runs every Monday evening.**

A positive attitude, understanding of SEN issues and the ability to work as part of a team are essential. Training will be provided.

Positions are available for both volunteers and paid workers and are subject to relevant safeguarding checks including an enhanced DBS disclosure.

For information and an application pack please call the office on: 01568 614908 or email Becky: play@marchesfamilynetwork.org.uk
