### A Message from Mr Warrell

It only seems like yesterday that I joined the school - this year has absolutely flown by!

That said, we have had a very busy year of learning and it has been a pleasure to watch all of the children grow in maturity and embrace their learning.

I have thoroughly enjoyed getting to know the children, parents and carers and feel like I have built a good relationship with all of you. You have all made me feel welcome in Weobley and I believe we have a great future ahead of us.

There are many things that contribute to a great school and we have all of them here at Weobley. A passionate team of staff who are 100% committed to the children's safety and learning; an ever increasing team of volunteers - you are truly appreciated; fantastic supportive parents - we can't do it without your help but most importantly amazing children with a passion to learn.

Best of luck to our Year 6s, they can move on to their High Schools with their heads held high. 81% of them passed their reading, writing and maths compared with 61% nationally - amazing!

And finally, have a great holiday, I look forward to seeing you all on the 5th September when we return to school.
