End of Half Term

'A safe, happy learning environment where everyone is valued'

J P Catering

We are delighted with the quality of the food that is being provided by our new caterer.

All food is cooked at their new hub in Weobley using, where possible, locally sourced ingredients.

There is a varied choice of menu which includes a main meal or vegetarian option, baked potato with two choices of filling, a packed lunch as well as a salad.

At £2.20 per meal this offers great value for money.

Please contact the office for an order form.

Healthy Living Week

Our Healthy Living Week starts 13th June. There will be a special assembly at 9.15am on Wednesday 15th June when our Nursery and Reception children will be giving a display from their Rugby Tots sessions. Please do keep the date.

P.E Information

Fourteen of our Key Stage Two children from the Cross Country and Circuits Club enjoyed a 1.6 mile run around the village after school on Wednesday.

They are hoping to increase their distance every week....look out for continual updates of their progress.

Spaces are still available should your child be interested.

Morning Snacks

It has been noticed that some of the children are eating unhealthy snacks at break times. Please could you ensure that your child only has a snack of fruit, vegetables or cereal bars.

Thank you
