Royal Mail Christmas Stamp Competition

On Friday, 10th February, all of the children will be producing designs to enter into the Royal Mail "Christmas Stamp Design Competition". On the same day, the children will also be designing an image to go on the front of a Christmas card; the design will be printed onto cards and offered for sale to you later in the year, to raise funds for the school. Obviously, both of these things need to be done well ahead of time.

As it is the last day before the half-term break, we want this to be a fun day of activities and thought it would be nice for the children to get "Christmassy" for the day.

Children are therefore allowed to wear their Christmas Jumpers instead of their school jumper for the day. These are optional as I understand it is quite possible that these have been packed away until next Christmas.

Regards
Mr Warrell

POLITE NOTICE

We have had a near miss during the week as a school bus tried to navigate around our turning circle whilst avoiding the parked cars adjacent to the turning area.

There is such a small window of time when the area outside both schools is incredibly busy with parent's cars, school buses and pedestrians, we would request that all drivers show due care and attention to where they are leaving their vehicles and manoeuvre with care in the area. A map showing the areas to keep clear in on the reverse of this newsletter. Thank you.

Safeguarding Notice

In order to comply with the expected safeguarding guidelines for schools; please note that Parents/Carers must always be accompanied by a staff member when entering the school building.
