Half Term

'A safe, happy learning environment where everyone is

General

Absences

Please remember to provide the school office with a reason for any absences from school, as we are required to record the nature of any illness on the register.

Clothing

Please could you ensure that your child has a warm coat and appropriate footwear for the ever changing weather conditions.

Telephone Numbers

Please ensure the school is updated with any change to your contact details. Our text service plays an important role in communicating between school and home particularly during any closures due to poor weather.

After School Arrangements

Should your child need to re-enter the building at the end of the school day to retrieve any items, please speak to your child's Class Teacher who will be able to assist.

Thank you

Dogs Trust

We are lucky to have secured a visit from The Dogs Trust on Thursday 11th January.

They will be holding workshops for Years Three through to Year Six during the day together with a whole school assembly in the morning explaining what the charity does.

To support them, we will be holding a non uniform day that day for a £1.00 donation.

Thank you
